

Remote Accessible Vote-by-Mail (RAVBM) in All Counties Served by Far Northern Region Center

For the November 3, 2020 General Election, all voters will receive a ballot in the mail. Your county will begin mailing voters their ballots on October 5th.

You can also vote with Remote Accessible Vote-by-Mail (RAVBM) to:

- ✓ Download, mark, and print your ballot at home
- ✓ Use your own assistive technology to read and mark the ballot
- ✓ Select the language for your ballot

RAVBM is not “internet voting.” You must print and return your marked ballot.

Access your ballot any time before 8 p.m. on Election Day!

How to vote from home (accessibly!) with RAVBM:

1. Request an RAVBM ballot access link.

Contact your elections office by phone, by email at, or visit your county elections website to access your ballot.

2. Mark your ballot.

Use the access link to open your ballot. Review and mark the ballot on your own computer, with your own assistive technology if needed.

3. Review and print your ballot.

Check your ballot and make corrections. Download and print your ballot.

4. Seal and sign the ballot envelope.

Put your RAVBM ballot in the envelope you received in the mail. Sign the voter’s declaration (punched holes tell you where to sign). Seal the envelope.

5. Return your ballot.

- ✓ By mail. (Your envelope will include pre-paid postage!)
- ✓ At any drop box in your county.
- ✓ At any voting location or at your county elections office.
